

FAIRMONT CAMPUS CLOSURE INFORMATION 2009/2010

The decision to close the Fairmont campus is made by the Fairmont Campus Director. Every effort will be made to post weather related closings via PC Website, PC E-mail, and the following radio and television stations by 6:30 AM. The ability of the stations to handle many incoming calls may influence which stations carry the announcement.

Calls will be made to the following stations and posted on the following sites:

Radio

KFMC (FM 106.5)
KSUM (AM 1370)
WCCO (AM 830)

Television

WCCO – Channel 4

Internet

presentation.edu
kfm.com
wcco.com
wccoradio.com

The announcement is worded “**Presentation College Campus Closed**” when no classes will be held and offices will be closed.

Please Note: The College has no control over the actual announcements media choose to run, and individuals should use discretion when making travel decisions.

Any questions or suggestions regarding this policy should be directed to the Fairmont Campus Director at 235-4658.

When the Aberdeen Campus is closed, Fairmont students and faculty will receive notification through the SchoolReach system. This is done because many of the Fairmont students have ITV classes that are generated from Aberdeen. We do not want students to spend their time driving to Fairmont when classes in Aberdeen have been cancelled.
