ARMY NURSE CORPS ASSOCIATION SCHOLARSHIP PROGRAM

HISTORY OF THE ARMY NURSE CORPS ASSOCIATION

In 1976, a group of retired Army Nurse Corps Officers gathered in San Antonio, Texas and expressed their desire to continue the camaraderie and close ties of the Army Nurse Corps in retired life and to establish a means of communication by, for and about Army Nurse Corps retirees. From that dream the Retired Army Nurse Corps Association (RANCA) emerged and was incorporated in 1977. In 2000, the name was changed to the Army Nurse Corps Association (ANCA) to better reflect the composition of the membership.

In accordance with our stated purpose, the association is to provide educational and social opportunities for its members. In addition, the organization cooperates with the Chief, Army Nurse Corps in the preservation of the history of the Army Nurse Corps and promotes literary, educational, research, charitable and artistic endeavors. ANCA publishes a quarterly newsletter, *The Connection*, for its members. A biennial reunion/convention is held in different cities throughout the United States in even years.

The membership is comprised of Army Nurse Corps officers from the Active Army, Army National Guard or the Army Reserve. They may be currently serving, retired or honorably discharged from one of these components.

ARMY NURSE CORPS ASSOCIATION SCHOLARSHIP PROGRAM

The purpose of this program is to award scholarship grants to colleges and universities (hereafter referred to as schools) with established and qualified baccalaureate or graduate nursing programs. The school uses the scholarship grant to provide financial assistance to one or more nursing students. Previous grants have been between \$3,000.00 - \$3,500.00 per school. The school chooses the scholarship recipient(s) based upon the established criteria of the school. The Army Nurse Corps Association desires that eligible students from the following categories be given priority. The school may consider submitting a scholarship application on behalf of a student(s) who fits one or more of the ANCA desired priorities. The desired priorities are as shown on the next page.

ARMY NURSE CORPS ASSOCIATION SCHOLARSHIP PRIORITIES

(No rank order is intended)

- ☼ A nursing student who plans to enter the Active Army, Army National Guard or Army Reserve.
- ☼ A nursing student who has previously served in the Active Army, Army National Guard or Army Reserve.
- ☼ An Army Nurse Corps officer enrolled in an undergraduate or graduate nursing program who is not funded by the Active Army, Army National Guard or Army Reserve.
- ☼ An Army enlisted soldier in the Active Army, Army National Guard or Army Reserve who is working toward a baccalaureate degree in nursing and is not funded by the Active Army, Army National Guard or Army Reserve.
- ☼ A nursing student who has an immediate family member who is serving or has served in the Active Army, Army National Guard or Army Reserve This relationship may be husband, wife, father, mother, brother, sister or step parents.

The fact that a student is receiving GI Bill benefits does not preclude him/her from receiving an ANCA scholarship. Students who receive a ROTC scholarship are not eligible; however, ROTC students not receiving a scholarship are eligible. Because ANCA does not have an official affiliation with the Army Nurse Corps or the U.S. Army, there is no military service obligation incurred by the student who receives scholarship funds through this program. Questions concerning service in the military should be directed to a military recruiter.
