The Champions of Character program helps participants find the balance by keeping five core values - integrity, respect, responsibility, sportsmanship, and servant leadership - at the heart of the athletics experience. Students learn to understand the values through their coaching and mentoring. Parents support their athletes by being involved in their lives. Coaches are taught how to intentionally define, model, shape, and reinforce the values through their coaching and mentoring. Parents learn how their behavior is key to supporting their athletes. Please fill out the form to become a member of the Saints Booster Club.

---

 Dickinson State University (N.D.) has accepted an invitation to become the sixth member of the National Small College Athletic Association (NSCAA) beginning July 1, 2014.
GAME ON.

Join our team and cheer on the Saints as we head into our first season in the NAIA!

The purpose of the Saints Booster Club is to provide program support for Presentation College athletics. With nearly 300 student-athletes competing in Green and Gold on ten different teams, Saints Booster Club members provide vital support and commitment to the successes and experiences of these student-athletes.

Saints Boosters make a significant impact on the entire campus community at Presentation College. Through donations, the Boosters have made upgrades to academic classrooms, and contributed to facility improvement campaigns. Most recently, the Boosters supported the purchase of a 47-passenger charter bus.

Become a member of the team behind the teams! You can play a very important role in building and sustaining a quality intercollegiate athletic program at PC.
